

GAMA Products, Inc.

BEKAL™ & REAL™ CORN OIL

FEATURES

Golden Corn Oil processed through a completely separate extracting, refining and de-waxing system. The process insures our customers a consistent and uniform supply of high linoleic corn oil.

ADDITIVES

Antioxidants and methylsilicone available on request.

APPLICATIONS

Ideal for use in Salad dressings, frying, baking, cooking and as a consumer and institutional packaged oil.

SHELF LIFE

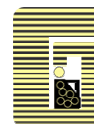

Our retail pack is coded with an expiration date of 2 years. Food service pack is not coded unless specified by customer.
