## BEKAL™ & REAL™ SOYBEAN OIL

### FEATURES

A fully refined 100% Soybean salad oil which has been refined, bleached and deodorized in a continuous and totally integrated process which begins with crushing of the soybeans, processing the oil under vacuum to produce a salad oil with clarity of color, blandness, purity and uniformity to meet a wide variety of food uses.

### ADDITIVES

None, although antioxidants can be added as requested.

### APPLICATIONS

This liquid oil is used by manufacturers of mayonnaise, salad dressings, spreads, canned foods (tuna, sardines), sauces, bakery goods (bread, sponge cakes, pan dressings) and is suitable for institutional use as a salad and cooking oil.

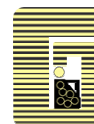

### SHELF LIFE

Our retail pack is coded with a shelf life of 2 years. Food service pack is not coded unless specified by customer.
